

## REMARKS

Claim 29 has been amended to improve clarity. In particular, claim 29 has been amended to recite “a representative sample of seed of said corn event”. The bases for such amendments are: (1) the term “seed” does not have a proper antecedent basis in the claim; and (2) the phrase “said seed said corn event” is grammatically incorrect.

In addition, on the summary page of the Notice of Allowability, the Examiner indicates that the allowed claims are claims 21-29 and 43 in Box 2. This is incorrect as claim 31 is also allowed. That is, the allowed claims should be claims 21-29, 31 and 43.

Applicants respectfully submit that the above amendments do not introduce any new matter into the present application.
